JEFFREY P. DAVIS

STUDENT SCHOLARSHIP

Attention Public Health Students!

The CSTE Foundation (CSTEF) is pleased to announce it is accepting applications for the **2020 Jeffrey P. Davis Student Scholarship**. Named in honor of longtime Wisconsin State Epidemiologist and CSTE Past President Jeff Davis, the CSTEF Student Scholarship provides opportunities for public health students to network and learn from applied epidemiologists at CSTE's Annual Conference, which will take place June 28 – July 2, 2020 in Seattle, WA. This year, up to **five** public health students will be awarded funding for conference registration and travel!

CSTE's Annual Conference is the largest meeting for applied public health epidemiologists in the nation. Attendees come from every state, represent all levels of government and academia, and span diverse professional specializations. The Conference provides opportunities to network with state, local, and federal public health professionals. Last year, nearly 1,700 attendees shared methods and best practices with over 650 presentations and 200 posters. Speakers and presenters included a distinguished group of leaders in the public health field.

The Scholarship will provide funding for the full conference June 28 – July 2, 2020, and includes Conference registration, a round-trip flight of up to \$750, and hotel stay. Student scholars will be guided by CSTE fellows, meet leaders in applied epidemiology, and explore an array of conference sessions.

TO APPLY FOR THE SCHOLARSHIP: bit.ly/CSTEFscholarship20

Applications must be received by **March 12, 2020**.

Applicants will be notified by **April 27, 2020**.

*Eligible applicants for the Jeffrey P. Davis Student Scholarship should be a current student in a public health program and be a resident of the United States or U.S territories. Ideal scholarship applicants are students with a concentration in epidemiology.
